

CITY OF GAHANNA

City of Gahanna, Ohio

2011 Capital Improvements

NOT TO SCALE

1

Techcenter Dr. Extension

This project extends Techcenter Dr. from Morrison Rd. to Hamilton Rd. and installs an overpass over I-270. The new roadway will greatly reduce congestion at the Morrison/Hamilton intersection and also provide economic development opportunities for the adjacent properties.

2

Hamilton/Granville Safety Improvements

The intersection of Hamilton Rd. and Granville St. will be widened to accommodate the addition of right turn lanes for northbound, eastbound and southbound traffic. An additional left turn lane will be installed for the southbound approach. Medians and pedestrian refuge islands will also be included in the improvements.

3

Lincolnshire Rd. Resurfacing

Lincolnshire Rd. from Agler Rd. to Palace Ln. will be resurfaced. Curb Ramps will be upgraded to ADA standards within the paving limits.

4

Dark Star Ave. Resurfacing

Dark Star Ave. from Arcaro Dr. to Venetian Way will be resurfaced. Curb Ramps will be upgraded to ADA standards within the paving limits.

5

Town St. Resurfacing

Town St. from Shull Ave. to Shepard St. will be resurfaced. Curb Ramps will be upgraded to ADA standards within the paving limits.

6

Helmbright/Caroway Improvements

The intersection of Helmbright Dr. and Caroway Blvd. will be resurfaced to address pavement rutting issues.

7

Techcenter Dr./Science Blvd. Connector

This project will connect the easternmost end of Techcenter Dr. with the northernmost end of Science Blvd. to provide full connectivity to the Central Park area.

8

McKenna Creek Stormwater Basin

This project will construct a basin to alleviate stormwater concerns within the McKenna Creek Watershed.
